*Kansai ben, slang used by Japanese living in the Kansai prefectures which are located towards the southern part of Japan. Includes Kyoto, Oosaka, Kobe, etc. However, these prefectures sound very different from each other, too

Hmmmmmmmm~♥
Eh...
MARI'S FROM KANSAI!
EHH-HHH-HHH-HHHH!!
I'm a mixture of Japanese and Italian, but I was born and bred in Kansai!
I came here after I got married
I actually can't speak Italian
Haha
NO... WAY...
SHOCKED!
A REAL FOREIGNER DOESN'T SPEAK JAPANESE LIKE THAT.
HIS USUAL ACCENT'S INFLUENCED BY AUNTY,
WHEREAS JUST NOW, THAT WAS MARI'S REAL ACCENT.
Shhh!

ANYWAY, HE WASN'T MAD AT YOU, KAZU-KUN,
SO, DON'T WORRY ABOUT IT.
But you were scared right?
Ah...!
That's right, I was in so much shock that I totally forgot about the painting...
Erm, Marichan-san... please forgive me...
The tho-ught of helping a mother got into my head,
I'm so sorry! For destroy-ing the painting..
It's alright, since you've apolo-gized!
Smile
I'm so useless ...
Don't worry about it, something like that's easy to patch up.

We overreacted. Sorry...
That's what we wanted to say
Erm, just now
We were wrong, too...
Sorry

That's a relief right?
MAMA-SAN?
Eh?
Sometimes you fight, then you just make up again. It's really lively!!
The dorm's like a big family.
IS THAT SO...
Tsukigase Dormitory is just like a family to me.
Even though we sometimes fight, we still make up.
Ehehehe
